Autopista Bogotá - Medellín Km 7 Celta Trade Park Bodega 20,
Funza - Cundinamarca – Colombia

S.W.L	450kg
S.W.L On Extension	113kg
Max. Occupants	2
A Working Height	10.00m
B Platform Floor Height	8.00m
C Overall Length	2.48m
D Overall Width	1.15m
Overall Height	2.32m
E Overall Height	1.78m
Platform Size	2.27mX1.12m
F Platform Extension Size	0.90m
Ground Clearance	0.10m
Ground Clearance	0.019m
Wheelbase	1.87m
Turning Radius	0m
Turning Radius	2.20 m
Drive/Lifting Motor	24V/3.3kw
Travel Speed	3.5km/h
Travel Speed	0.8km/h
Up/Down Speed	28/38sec
Batteries	4X6V/225Ah
Integrated Charger	24V/25A
Gradeability	25%
Maximum Working Slope	2°/3°
Tyres	381X127mm
Weight	2615kg
Weight	2215kg

Folding Guardrails

Tight Turning Radius

Flashing Beacon

Gradeability

Swing Out Tray

Emergency Lowering System

Extended Platform

Brake Release Valve

- La TIJERA ELECTRICA minimiza la posibilidad de caída en altura.
- El buen uso de la TIJERA ELECTRICA es responsabilidad del personal calificado y entrenado para trabajo en altura.
